

For the health of our congregations and communities, your Conference Staff strongly advise that sanctuaries remain closed through the month of May and possibly June.

Why? For the same reason we are called to be the UCC in this time and this place: to live into God's extravagant welcome and to advocate for justice. So that, ALL know love, safety, belonging, and dignity. Putting others' wellbeing ahead of our own conveniences is the way we follow Jesus best today.

Our buildings may be closed, but our churches are not. We see that you are working hard, being creative, stepping into new roles, and trying new things. Thank you. Please continue to be the church, from home. Let this be our act of solidarity and love for God and our neighbors.
