

Post-Secondary Scholarship Application - South Dakota Conference of the UCC

We're delighted that you're applying for one of the South Dakota Educational Scholarships! The South Dakota Conference UCC values education, young people, and those who answer a call to ministry at any age. To support all those who God calls to serve in many professions for the work of ministry, we offer scholarships each year to high school seniors, undergraduates, graduate students, and seminarians active in their South Dakota UCC congregations.

Scholarships may also be available to applicants pursuing programs not offered in South Dakota institutions. Some special funds are earmarked for those who are entering into ministry as a second career and have the challenges of family, jobs, and extra travel.

In addition to filling out this application, you must provide two references (teacher and pastor). Please invite them to submit their references via the "[Teacher/Professor Reference Form](#)" and the "[Pastor Reference Form](#)". All materials must be submitted by **May 30, 2024**.
